Visitor Information

Welcome...In the literature racks in the foyer and in the center stairwell, you'll find information that will help you get a feel for who we are here at Oakland, and what drives us to fulfill our purpose to "Make Disciples." You'll also find information on small groups as well as a campus map to help you find your way around.

Please fill out a Communication Card, located in the pockets on the back of each pew, so that we can have a record of your visit and to address any spiritual needs that you may have.
